PRODUCT DATA SHEET

MOTORIX SUPREME 1040

FULLY SYNTHETIC
4T MOTOR CYCLE ENGINE OIL
API SN SAE 10W-40 JASO MA2

Recommended for vehicles manufactured from year 2004 onwards With API Compliance. MOTORIX SUPREME 1040 is the next generation ultimate performance fully synthetic multi grade engine oil specially engineered to exceed the API SM standards meant for current and future generation high performance motorcycle engines, It is exclusively formulated with premium synthetic base fluids and unique environmentally friendly additives system to provide exceptional thermal and oxidation stability that minimizes oil thickening at very high operating temperatures, excellent deposits control and minimized engine wear and tear.

An advances additive system ensures excellent control over soot induced wear, high temperature piston deposits, corrosion, foaming and oxidation stability. It also provides excellent resistance to bore polishing, a high level of wear protection and ensures superior engine cleanliness.

Comform to performance requirement of:

- **API SN**
- **JASO MA 2**
